

STARING SM 320

>> Remember Staring mixer is well known
for their good quality and long life

Staring SM 320

The special mixer head of the SM 320 can be fitted with steel or rubber paddles as required. The mixer head can also be removed for cleaning and adjustment without the use of extra tools.

The mixer is transportable utilizing two rubber wheels and a push/pull bar can be removed as necessary.

The electric motor has a thermal overload for protection.

The Mixer includes:

Safety cover w/bagsplitter

Magnetic safety cut-out
