

Mark IV Express

Electric Airless Texture Sprayer

Designed for both **texture** and **paint** applications, the Mark IV Express offers must-have features such as larger diameter material hoses and a large orifice spray gun to handle thick, heavy material. Whether you need to spray skim coat in a Level 5 finish, drywall mud in an orange peel, splatter or knockdown finish, or even the wide range of primers and paint, this sprayer can do it all!

Advantage Drive
