Staring SM 100A

STARING Midi Pan Mixer for mixing numerous materials within many different trades.

The design of the SM 100A makes it easy for one man to handle. It is easy loaded utilising the top loading wheels.

The SM 100A has a discharge hatch, which adapts easily to wheel barrow, bucket or over container.

The mixer is sturdy in construction yet lightweight for easy transport.

The mixer head can be removed for cleaning or adjustment without using tools.
